By signing this form below, I (we) acknowledge that the above students are committed to work together on the above mentioned Earth Science *Honors Experience*. We expect that both students will work together and understand that if specific issues arise that prove to the teacher that one or both of the students is not contributing, that this project will need to be completed individually by both students without a change in due date deadlines. Any equipment or materials must be divided equally or shared in the event of a separation of this team.
